J70 FORMWORK BEAMS - PLUS

WHY J70 OSB ?

1) High strength and durability
2) Excellent reuse value
3) Solid core with no gaps
4) Strong screw-holding capacity
5) Moisture content below 5%
6) High density (~750 kg/m³)
7) 3-layer cross-battened structure
8) Ideal for slabs, beams & columns
9) Precision-made on Italian machines

CERTIFICATIONS

ISO 9001:2015 - Quality Management
ISO 14001:2015 - ECO Friendly
ISO 45001:2018 - Health & Safety

TESTED BY

IIT CHENNAI

SHEAR TEST RESULTS

Failure Load	Ultimate Shear Capacity (kN)
14.81	7.405

BENDING TEST RESULTS

Failure Load (kN)	Ultimate moment capacity (kNm)	EI (kN-m²)
8.67	3.89	65.52
8.59	3.86	60.80
Average	3.875
